

MARK-IT FLOOR MARKING TAPE

Mark-It Floor Marking Tape is a heavy-duty PVC tape designed for colour coding and floor marking applications. Available in a variety of colours, it offers excellent conformability and abrasion resistance. Its high-tack rubber adhesive ensures a secure bond to most surfaces. REACH compliant.

Ideal for marking physical hazards, designated areas, factory lanes, aisles, and caution zones, it provides clear and effective visual guidance in the workplace.

CONSTRUCTION

ADHESIVE

RUBBER

TECHNICAL SPECIFICATIONS (TYPICAL VALUES)

TOTAL THICKNESS	0.15MM ± 10%
TENSILE STRENGTH	6KG/25MM
ELONGATION	100%
ADHESION TO STEEL	0.45KG/25MM
UNWINDING FORCE	400G/25MM

SURFACE PREPARATIONS AND FINISHING

It is essential, as with all tapes, that the surface to which the tape is applied be clean, dry, and free of grease and oil. Remove any flaking paints, etc.

STORAGE AND SHELF LIFE

The shelf life of the tape is 12 months when stored at 23°C at 65% relative humidity and out of direct sunlight, in the original carton.

WARRANTY AND GUARANTEE

Rite Adhesives warrants that its' product complies, within its shelf life, to the specifications mentioned in this technical data sheet.
